IC Bus Unveils IC Electric Bus chargeE™, Its All-New Electric School Bus

IC Bus unveiled the IC Electric Bus chargeE™, its new electric CE Series concept school bus developed with its alliance partner, Volkswagen Truck & Bus. The chargeE was designed to give customers a zero-emissions school bus option while lowering the total cost of ownership and offering user-friendly options and features with diesel-like performance. The company unveiled the chargeE at the 2017 National Association for Pupil Transportation Annual Conference and Trade Show, and expects to launch its first unit as early as 2019.

in the news

• We are going digital with the School Bus Flyers! If you are not signed up to receive our monthly e-newsletters, please email marketing@hoglundbus.com to get signed up! We will continue to print the School Bus Flyer quarterly for 2018.

Behind the dealership success, there are many people working to support our mutual goals. Hoglund Bus Company would like to take a moment to recognize a team or individual

CONGRATULATIONS TO THERESA KLATT!

Theresa is our Unsung Hero for 2017. She goes about her business with a high level of professionalism and is hardly noticed for it. She is a dedicated employee, shows concern for the company, and steps up when needed. She works hard to collect the over \$12 million in receivables each year from customers and does it in

a way that makes customers feel taken care of. She also works with the parts and service departments to correct billing issues and issue warranty credits. In addition to her accounts receivable responsibilities, she is also tasked with managing the sales tax procedures for over 70 different taxing jurisdictions in MN, WI, & IA and has become an expert in sales tax regulations.

from our staff who works “behind the scenes” to help make us all successful. This person, team, or group embodies the spirit of collaboration, support of our customers, and leadership to play an integral role in our growth and ultimately our success.

Hoglund Bus Employment Opportunities:

We are always looking for Diesel Techs for all locations. If you are interested in a rewarding career that offers medical, dental benefits, 401K, paid vacation and more send your resume to jobs@hoglundbus.com
