NEW VEHICLE WARRANTY POLICY

All parts on either chassis or the body that should be considered under warranty will be charged, plus freight when applicable, to you until the defective parts are returned to us and warranty is possible. We will then credit your account for parts only. If you do not have a charge account with us, the part(s) will be sent COD to you. We will then reimburse you for parts only after we have received the defective parts and warranty is possible. Freight incurred in either case cannot be refunded. Parts must be purchased through Hoglund Bus Co. to qualify for new vehicle warranty.

Following, are the parts that we can warranty:

- INTERNATIONAL BODY & CHASSIS PARTS
GLAVAL BODY PARTS
COLLINS BODY PARTS
TURTLETOP BODY PARTS
CHAMPION BODY PARTS

Please complete the below form, include all information requested and return it with the defective parts within 30 days of date replacement part was shipped to you, or claim will be denied.
